WHO
WE ARE

At Learn with IntraEdge, we redefine what a learning agency looks like. We design and develop next-level learning experiences while tackling the challenges that companies often face when it comes to training.

We engage learners by infusing every course we create with innovative, memorable and immersive content and modalities. Throughout the learning design process, we map learning objectives to the competencies that will improve learners' knowledge and performance.

With our diverse portfolio of projects, clients and expertise, we are ready to collaborate to create effective training on any subject.

DESCRIPTION OF TRAINING:

We help our clients invest in their workforce by providing their sales teams with cutting-edge training, empowering them with tools for success. We support organizations by creating and managing key Learning and Development (L&D) initiatives for their employees, vendors and partners.

With our broad scope of services, we can fully implement sales trainings and support your organization's goals through:

- Instructional delivery from our experienced Training Facilitators.
- Continuous review and refresh of training materials using Instructional Design expertise.
- Learners need analysis to determine the best/appropriate learning pathways based on role.
- Regular analysis of training effectiveness to identify the impact and ROI.
- Improving scalability and digital delivery of training programs for distributed and virtual workforce.

Our team of experts deliver creative training programs that address key objectives in order to reach our client's goals. With each project, we aim to offer the best return on investment by increasing learner engagement through captivating content design, fun interactive experiences and unique brand essence.

OUTCOMES:

- Provide learners with the tools and skills for success.
- Increased scalability of training efforts across geographies and teams.
- Better control of training quality and consistency.
- Current and accurate training content.
- Measurable insight through key metrics.
