

## WHO WE ARE

At Learn with IntraEdge, we redefine what a learning agency looks like. We design and develop next-level learning experiences while tackling the challenges that companies often face when it comes to training.

We engage learners by infusing every course we create with innovative, memorable and immersive content and modalities. Throughout the learning design process, we map learning objectives to the competencies that will improve learners' knowledge and performance.

With our diverse portfolio of projects, clients and expertise, we are ready to collaborate to create effective training on any subject.

## DESCRIPTION OF TRAINING:

Learn with IntraEdge has proven to be the vendor of choice for clients with a strong presence in privacy, technology and digital marketing. We see our clients prioritizing the need for training their internal legal and compliance organizations in order to help safeguard users and their business. As a result, a large portion of our projects have focused on legal, compliance and other human resources related content. We collaborate with key experts to provide a wide selection of courses including: new employee onboarding, legal education, compliance and regulatory topics.

Our team of experts deliver creative trainings that address key objectives in order to reach our client's goals. With each project, we aim to offer the best return on investment by increasing learner engagement through captivating content design, fun interactive experiences and unique brand essence.

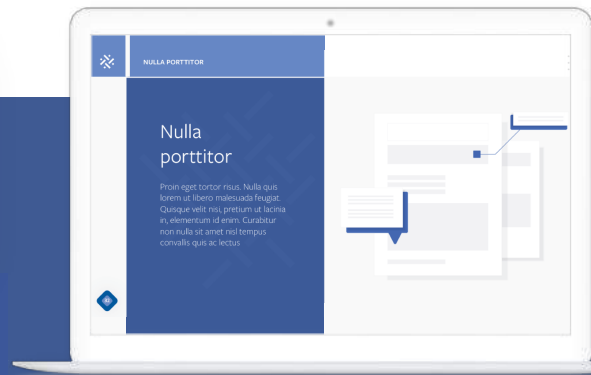

## OUTCOMES:

- Developed global legal training onboarding program for new and existing employees to communicate and facilitate the application of new legal rules across the organization.
- Enabled internal teams to effectively review legal impact scenarios and execute related interventions across all roles.
- Empowered procurement, legal and operations teams to safely navigate the legal side of government interactions.
- Delivered an informative video that targets employees who have been identified to have information relevant to a legal matter.

## DELIVERABLES:

- Instructor-Led Training (ILT)
- Evolve LMS online learning (eLearn) course with interactive exercises, knowledge checks, and exams
